### Kirsten Prout at 'The Bleeding' Premiere!

by LMCULLEN on NOVEMBER 3, 2009 · COMMENTS  
in KIRSTEN PROUT

Eclipse vampire Kirsten Prout (aka Lucy, one of the Vamps that was responsible for Jasper becoming a Vampire) was recently photographed at the premiere for the movie *The Bleeding*. How appropriate! lol

MovieLine.com interviewed Kirsten last week -

“I’m relatively ready. I try not to read the messageboards,” she said. “I get e-mails about them from my friends, some strange, strange stuff. I was at the GAP the other day, and there was a teller who literally was like, ‘You’re Lucy in *Twilight*.’ I can’t believe the fan base is so big and underground that people would recognize me from a movie that didn’t come out. I said ‘thank you’ and started blushing.”
